

HOUSE BARATHEON

Audio Album

The TEAM

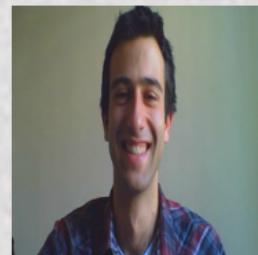

Tzvetan Ganchev

Valeri Hristov

Momchil Dishev

Yuliyan Kostov

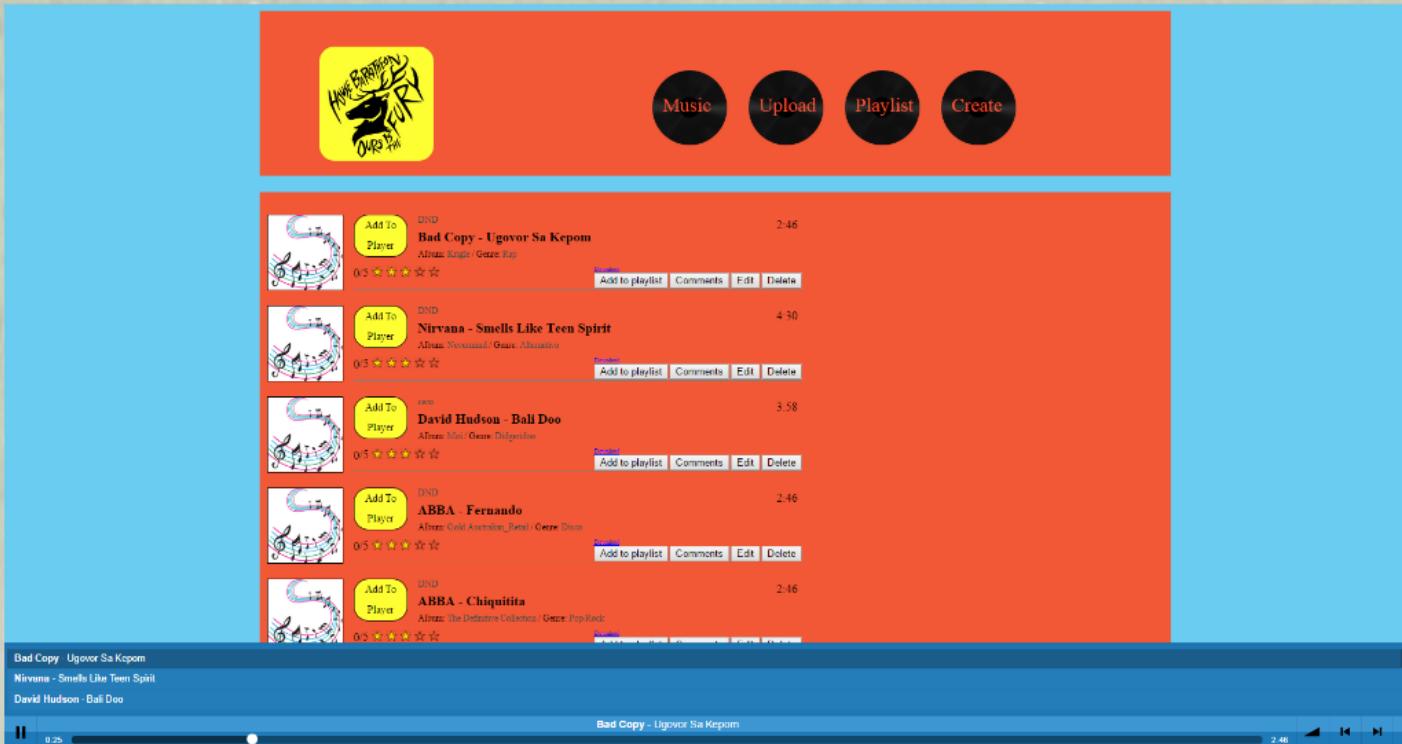

Dimitar Dimitrov

Visual Design

- inspired by soundcloud & grooveshark
- player at the footer
- various info @ each song & playlist section

The project structure

- <https://github.com/House-Baratheon/MusicAlbum>
- Model - View - Controller design pattern followed
- html elements loaded on demand
- using moment, id3 & moustache libs
- SoundManager2 implemented - a hybrid tech for playing online a large variety of music files formats
- Team communication tools - GitHub, Skype chat sessions, several meetings on-site

Live Demo
